

## Beautiful Birds Hunt

Let's go on a nature hunt! Try and find all of these beautiful birds within our garden today! Be sure to try and keep quiet so you don't scare them away!

**Blackbirds** - males are black, females brown.

**Robins** - look out for their bright red chests!

**Wood pigeons** - listen out for them cooing to each other!

**Blue tits** - look out for them around our feeders.

**Magpies** - look closely at their feathers to see lots of colours!

**Chaffinches**, with lots of different colours for camouflage.

**Jackdaws**, with a pale grey or blue beady eye.

**Nuthatches** - they look like mini woodpeckers!

**Bullfinches** - look out for their pinky-red chests and black heads!

**Jays** - difficult to spot because they're quite shy birds.

**Great spotted woodpeckers** - listen out for a drumming sound as they hammer at trees!
